

BACHELOR OF ARTS (PRE-CREDENTIAL PREPARATION) SUBJECT MATTER PROGRAM MINOR MASTER OF ARTS

PROGRAM DESCRIPTION

The Department of Art at California State University, Sacramento is dedicated to the introduction of students to the expressive world of the fine arts. A wide variety of approaches to art based on both Western and Non-Western cultures are integrated into courses that are oriented toward creativity, imagination, and critical thinking. Students are able to explore art through courses in art education, art history, ceramics, computer art, drawing, metalsmithing/ jewelry painting, printmaking, photography, and sculpture.

Courses in art education provide an understanding of the behavioral aspects of art, with regard to the creator, the viewer, and the developing person. Art history classes provide an appreciation for and understanding of our visual cultural heritage within a historical context. Studio experiences develop the creative and artistic skills necessary for mastery of established styles and for exploration of new ones. Courses are intended to direct and foster creative and intellectual growth. The courses, programs, and exhibitions sponsored by the Art Department serve to engage students in the fine arts within a liberal arts context and to promote appreciation of the fine arts in the general student population.

Programs are offered that lead to the Bachelor of Arts in Art Studio, and the Master of Arts Degree in Art Studio, the Art Minor, and the California Single Subject Teaching Credential in Art.

California State University, Sacramento is an accredited institutional member of the National Association of Schools of Art Design.

GRADUATE PROGRAM

The MA Program in Art Studio is designed to produce graduates with professional competence in studio disciplines. While acquiring those abilities, the student is also expected to develop skills used in criticism and analysis of the visual arts.

The studio curriculum encourages integration of professional practice with historical and theoretical studies. The progression of classes facilitates the transition from student to independent artist through studies in drawing, painting, ceramics, jewelry, metalsmithing, printmaking, photography, and sculpture. Special emphasis is placed on the development of individuality, depth, and professional competence in both technique and concepts. The objective of the art education curriculum is to enable students to pursue advanced studies in the behavioral aspects of art, including art education theory, community programs, curriculum planning, the psychology of art, and art for people from special populations, such as children, the handicapped, and ethnic groups. Special emphasis is given to multifaceted curricular approaches covering aesthetics, art history, art criticism, and art studio.

The objective of the studio curriculum is to transmit professional skills integrated with historical and theoretical studies. The course of study is intended to facilitate the transition from student to independent artist through advanced studies in painting, ceramics, jewelry, metalsmithing, printmaking, photography, and sculpture, with special emphasis placed on the development of individuality, depth, and professional competence in techniques and concepts.

Admission Requirements

Admission as a classified graduate student in art requires:

- a BA in Art or its equivalent, including 12 units in art history, and
- a minimum 2.5 GPA in the last 60 units attempted
- approval by studio faculty review of other submitted materials (see Admission Procedures below)
- International students must pass the TOEFL examination. Advancement to candidacy requires passing English proficiency requirements. See below.

Applicants who have deficiencies in admission requirements that can be removed by specified additional preparation may be admitted with conditionally classified status. Any deficiencies will be noted on a written response to the student's admission application.

Admission Procedures

Students should submit all application materials by April 1st to be admitted for the following Fall, or by October 1st for admission the following Spring.

All prospective graduate students, including CSUS graduates, must file the following with the Graduate Center:

- an application for admission and a supplemental application for graduate admission (Forms A and B in the CSU application booklet)
- official transcripts from all colleges and universities attended, *other* than CSUS.

In addition, **all** materials listed below **must** be submitted to the Art Department by the above deadlines:

Art Studio

- the Art Department art studio application form
- official transcripts of all college work other than CSUS
- twenty slides of the applicant's recent artwork in a carousel tray (a description of each slide, listing size, medium, and date of composition, must be included).

Advancement to Candidacy

Each student must file an application for advancement to candidacy, indicating a proposed program of graduate study. This procedure should begin as soon as the classified graduate student has:

- removed any deficiencies in admission requirements and completed at least 6 units of 200-level courses in the graduate program with a minimum 3.0 grade point average
- passed the Writing Proficiency Examination with a score of 8 or more, or the equivalent
- consulted with the Graduate Coordinator to schedule an exhibition of the student's work. The Graduate Coordinator appoints for each student a committee composed of the student's advisor and two other faculty members who must approve the student's advancement. Advancement may only be attempted twice. The second attempt must be at the completion of at least 12 units with a 3.0 grade point average and a second exhibition of work that was not previously shown. Failure to pass the second evaluation will result in loss of classified graduate status.) The graduate student is not only advanced to candidacy by the department (after completion of 12 units).

Advancement to candidacy forms are available in the Graduate Center. The student fills out the form after planning a degree program in consultation with his/her Art Department advisor. The completed form is then returned to the Graduate Center for approval.
